on Cheap Cigars. The International Cigarmakers will wage a vigorous war against a return to the tensment house eigarmaking system. Half a dozen big factories have posted up notices of a reduction of wages to take effect on Jan. 2, but it is not likely that any men will strike then. The local unions have appointed a committee to devise ways and means to defeat the manufacturers. Their first move will be to cut off as

devise ways and means to defeat the manufacturers. Their first move will be to cut off as much of the market as possible for the cheap tenement-house eigars. None of the men who employ tenement-house hands can get the International blue label, and a circular is to be sent to every labor union in the country reciting the cause of the trouble and asking all of their members to use only union-made cigars. It is to be a big boycoit.

The local unions have already voted to strike in the shops where reductions in wages are to be made. They cannot act, however, without the sanction of the order throughout the United States. They have applied for permission. The application was sent to President August Strasser in Buffalo on Wednesday. It is probably on its way to the local unions now, but it will be a week or more before the result can be known. Meantime the men will return to their work as the shops open during the coming week.

At the heariquarters of local unions 144 and 901t was said last night that they were preparing for a tough battle. "We shall fight them in the Logislature," said a cigarmaker, "and in the courts. Our fight in the courts will be to protect our label. We have just got a favorable decision against its unauthorized use in the Supreme Court of Minnesota, and we are pressing cases in many other States."

MRS. BOYD WARNS MRS. HAMILTON. She Says it Wen't be Well for Her if She Catches Her with Mr. Boyd.

Mrs. John Boyd, the wife of the clerk of the Hudson County Board of Chosen Freeholders, who on Wednesday assaulted Nellie Hamilton, a young widow whom she accuses of having stolen her husband's affections, was to have had an examination yesterday morning before Justice of the Peace Weed, but by the before Justice of the Peace Weed, but by the advice of her counsel she allowed the case to go to the Grand Jury. Mrs. Hamilton and her mother, Mrs. Annie Tolson, were on hand at the hour sot for the examination, and they seemed disappointed because it did not come off. Both had made charges against Mrs. Boyd of malicious mischief and atrocious assault and battery. The malicious mischef consisted of the breaking of two nanes of glass and some parlor crockery with brickbats, and the atrocious assault consisted in the alleged throwing of red pepper into the faces of both Mrs. Hamilton and her mother. Mrs. Boyd did not go to the Justice's office at all.

Her husband, on whose advice the widow and her mother had Mrs. Boyd arrested, called to find out what disposition had been made of the case. He looked downhearted. He says he will begin divorce proceedings, but Mrs. Boyd says he has no grounds on which to base the suit. She says she will continue to follow her husband, and she warns Mrs. Hamilton that it will not be well for her if she catches her in his company.

CAN'T FIND THE DIAMONDS.

A Search of the Safes of a Bankrupt Broad way Jewelry Firm.

The liabilities of Payne, Steck & Co., wholesale jewellers at 177 Broadway, who made an assignment on Thursday, are reported in the trade to be more than \$100,000. Creditors criticise the failure very harshly. At the store it was said yesterday that neither partner had been there since Wednesday, and Assignee Smith said they were both at home sick. Several creditors waited about the place yesterday to see if there were any diamonds in the safes, for they said a large amount of diamonds had been left with the firm on memorandum recently. Deputy Sheriff Lavery opened parts of the two sales yesterday, but found no diamonds. There is a part of one saie to be opened to-day, where the creditors hope to find the diamonds. Alfred H. Smith & Co., diamond dealers, have obtained an attachment against the firm for \$7.400, and Ralph S. Hamilton of Providence also obtained an attachment for \$908. So far as the creditors have been able to learn the assets are small. The Sheriff is having an inventory made of the goods on hand, most of which it is said are plated goods. Smith said they were both at home sick. Sev

THOSE EXTRA AQUEDUCT CLAIMS. Coming to the Contractors.

The extra claims of the new aqueduct contractors are about as far from settlement as ever. A committee consisting of President James C. Spencer, Chairman Oliver W. Barnes, Gen. Newton, Corporation Counsel O'Brien, and Comptroller Loew has been conferring and Comptroller Loew has been conferring since Nov. 7, and made a report on Dec. 3 upon which the Chief Engineer was directed to prepare an average typical cross section to serve as a basis of the proposed allowances to contractors. Chief Engineer Church prepared such a typical cross section and it was submitted to the contractors, and they refused to accept it or to reject it, but asked that the subject of the excavation to be allowed be postponed until the final estimates shall be made for the work. Yesterday the Aqueduct Commissioners adopted this as a guide to the Chief Engineer. It will certainly not be a guide to anybody else: missioners ad Engineer. It anybody else:

Resolved, Tha; the cross section of tunnel excavation (excepting timber sections), should be the area of the conduit plus that of the masonry around the conduit necessary to preserve the shape of the conduit against the pressure of the surrounding medium; allowance to be made for the necessary wespers and other contrivances specialty mentioned in the contract.

Recreations of a City Marshal. C. H. Merritt, restaurant keeper, of 793 Cohen, a City Marshal, had extorted \$10 from him and asked for more under threat of havhim and asked for more under threat of having him arrested for selling eigars without a license. After hearing the story the Mayor said he had no power to punish the Marshal, but would send the complaint to a Judge of the Court of Common Pleas for adjudication. Cohen admitted that he got the \$10, but said that the reason he did it was that he had a judgment to collect against the real proprietor of Merritt's place, and when he went to levy he found Merritt in possession, claiming to be owner. Then to get square with Merritt for adding the judgment debtor to escape, he showed him how to get the necessary license and took \$10 for his services.

The Arabs Not Paupers.

It looks as if some of the forty-two Arabs brought into port on the Chateau Leoville, will be allowed to land. Mr. H. W. O. Edye of Funch, Edye & Co., the agents of the Chateau Leoville, with his lawyer, called on Collector Hagone yesterday and submitted affidavits from each one of the forty-two, declaring that he was a blacksmith, a goldbeater, or some sort of a mechanic, and moreover that each one had from \$50 to \$100 in eash. On the strength of these affidavits the Collector was asked to revoke his order sending the Arabs back to Bordeaux to-day. Collector Magone referred the affidavits to the Emigration Commissioners, and asked them to make an investigation.

John Peter Stopps, the walking delegate of the Waiters' Union, who was accused by Meyer R. Bimberg, manager of Nilsson Hall, with conspiracy in ordering Mr. Bimberg's union waiters out on Nov. 9, had a hearing in the Tombs Police Court yesterday. Judgo O'Reilly considered the evidence insufficient, and dismissed the complaint.

MRS. SULLIVAN'S DIAMONDS. She Recovers Them from the Pawnbrokers,

where a Thief Left Them.

Mrs. Mary D. Sullivan, who keeps a boarding house at 36 East Twenty-second street. last summer met A. De Bouchet, a Spaniard, who said he was employed as interpreter in a Spanish hotel in West Fourteenth street. De Bouchet became a frequent visitor at Mrs. Sul-Broadway, complained to the Mayor that Simon livan's house, and she told him that she wanted to sell some diamonds and a gold watch. De Bouchet said he could find a purchaser, and Mrs. Sullivan gave a pair of diamond ear-rings and two diamond finger rings, valued at \$1.400, and a \$300 gold watch to De Bouchet to sell for her. Half an hour after getting possessell for her. Half an hour after getting possession of the property De Bouchet pawned the lot. R. Simpson & Co., 195 Bowery, leaned him \$500 on the carrings and finger rings, and W. Simpson & Co., 181 Bowery, gave him \$125 on the watch. De Bouchet sent to Mrs. Sullivan the pawn tickets by malf from Niagara Falls. He afterward went to Cuba. and is there now. On a summons issued by Judge O'Reilly at the Tombs Robert Simpson appeared yesterday with the diamonds, which Mrs. Sullivan identified as her property. Judge O'Reilly decided that Mr. Simpson should—return the property, but required Mrs. Sullivan to furnish an indemnity bond. Henry S. Fairchild signed the bond.

NOW is the season for well wishing. Having wished everybody a "Happy New Year," the manufacturer of PYLE'S PEARLINE would make another wish-one beneficial to all concerned, and that is, that in 1888 the housekeepers of this country will patronize PEARLINE as generously as they have during the year now drawing to a close, the largest yet for Pearline.

Probably no household article has appeared for years that has been so quickly and so highly appreciated as PEARLINE, or one more deserving of the marked success which has attended it. Close observation will convince any unbiased housekeeper of the merits of Pearline. and those who begin the new year with the use of this article, will surely have a clean start.

BABY'S SKIN AND SCALP

Cleanued, Purified and Benntified by Cuttcura Remedies.

Last November my little boy, aged 3 years, fell against the stove while he was running and cut his head, and, right after that he broke out all over his head, face, and left ear. I had a good doctor, Dr. — to attend him, but he got worse, and the doctor could not cure him. His whole head, face, and left ear were in a fearful state, and he suffered terribly. I caught the disease from him, and it spread all over my face and neck and even got into my eyes. Nobody thought we would ever get better. I felt sure we were disfigured for life. I heard of the CUTICURA REMEDIES, and procured a bottle of CUTICURA RESOLVENT, a box of CUTICURA, and a cake of CUTICURA SOAP, and used them constantly day and night. After using two bottles of RESOLVENT, four boxes of CUTICURA, and four cakes of SOAP, we are perfectly cured without a scar.

My boy's skin is now like satin. LILLIE EPTING.

THE WORST SORE HEAD.

Have been in the drug and medicine business twenty-five years. Have been selling your CUTICURA REMEDIES since they came West. They lead all others in their line. We could not write nor could you print all we have heard said in favor of the CUTICURA REME-DIES. One year ago the CUTICURA and SOAP cured a little girl in our house of the worst sore head we ever saw, and the RESOLVENT and CUTICURA are now curing a young gentleman of a sore leg, while the physicians are trying to have it amputated. It will save his leg and perhaps his life. Too much cannot be said in favor of CUTICURA REMEDIES.

WAS SAVED!

CICERO, HAWILTON CO., IND., Sant 19 1887. The following is a true account of what your S. S. S has done for our little daughter, Hasel, now 4 years old. When 12 months old a lump now 4 years old When 12 months old a lump appeared on her heel, which slowly grew larger. The family physician thought it was caused by a piece of broken glass or needle, but failed to bring anything to light. The child became feebler all the time, seeming to lose the use of her leg, and finally quit walking entirely. The middle finger and thumb of either hand became enlarged, the flesh becoming hard. The his total became tracked coming hard. The hip joints became involved, so that when 17 months old she could not stand, having lost the use of leg and arm. Partial curvature of the spine also followed. The nervous system was wrecked, muscles contracted, and there was general wasting of fiesh and muscle. At 18 months of age she was placed under the treatment of a prominent physician of Boston, Mass, but at the end of ten months she had declined to such a degree that she was in a dying condition. This was in April 1886. We took the child away not knowing what to do. In this dreadful dilemms we were over-persuaded by friends to try "one bottle "of SWIFT'S SPECIFIC, which we did, and before it had all been taken we saw a change for the better in her symptoms. We kept it up, and have done so to this day, and will keep it up, if the Lord wills, for many days to come. for it has brought our dying Hazel to life, to vigor, to strength and health again. The sahen hue of her checks has changed to a rosy tint. She is able to walk anywhere, her languor and melancholy have passed away, and she is now a blithe, cheerful, happy, romping child. Should you wish to increase your testimonials of proof of the virtue of S. S., our names and what we have said is but a portion of what we owe to you, should you wish to use them.
